*The grass withereth, the flower fadeth; but the Word of our God shall stand forever.
(Isaiah 40:8)*

We see the beautiful grass and flowers that come up in the spring and die in the winter. This happens every year as the seasons change. But the words God has given us in his Book, the Bible, will never die or vary. God has always been the same: wise, loving, just, and strong - and he will be that way forever. 1 Peter 1:25
