

## January 4

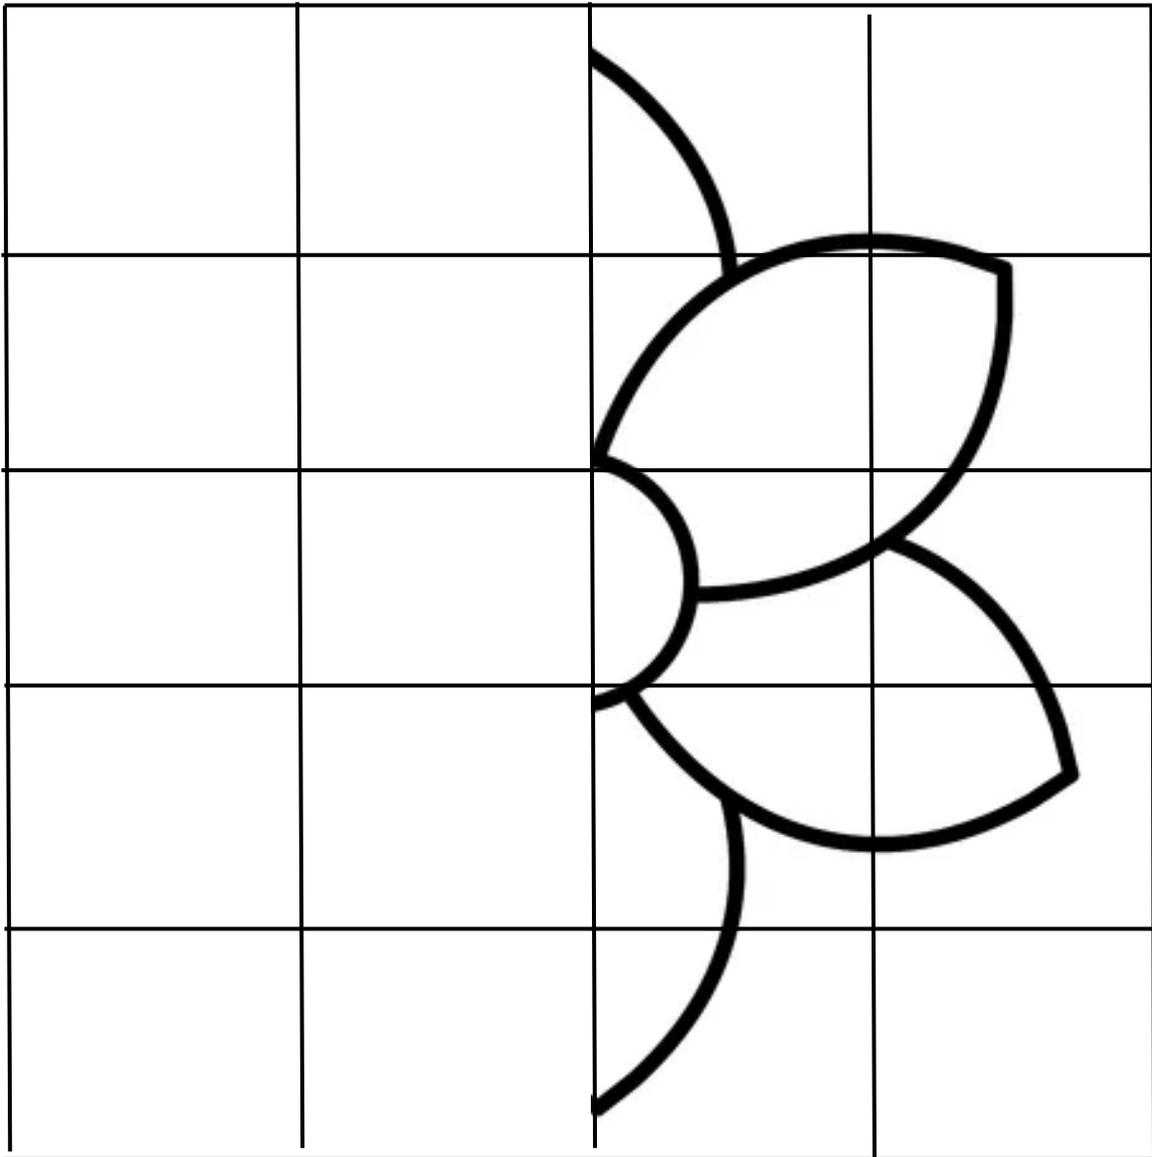

*Consider the lilies of the field, how they grow. (Matthew 6:28)*

Take a flower in your hand. Note its lovely shape, its delicate perfume and color. God gave us hundreds of beautiful flowers, with a variety of fragrances and hues. He gives us more than we can think of or ask for. We have nothing to offer in return for his love but our hearts and reverence, and he lovingly accepts these. Luke 12:7
