

February 2

To him that overcometh will I give to eat of the tree of life which is in the midst of the paradise of God. (Revelation 2:7)

In the first book of the Bible we learn that Adam and Eve were put out of the Garden of Eden because of their disobedience to God's will. In the last book of the Bible, we learn there will come a time when those who are obedient will be able to eat from the tree of life, and the Earth will then be a paradise. Revelation 22:2
