*God doth hate a "heart that deviseth [plans] wicked imaginations. (Proverbs 6:16-18)*

Some people often seem to be stirring up trouble and are never happier than when others are upset. Elsewhere in the Bible we are told it is not good to be a busybody, speaking things which we ought not. But there are a few unhappy individuals who spend time planning to do things of which they would be ashamed if they were revealed. Romans 1:21
