

March 31

The heavens declare the glory of God. (Psalms 19:1)

The heavenly bodies declare the glory of God by their countless numbers, orderly grouping in the constellations, continual yet never conflicting movements, perfect harmony, and marvelous size. All these speak of an intelligent designer. The wonderful display in the heavens both day and night should inspire in our hearts holy and reverent devotion to the great God of the universe. Isaiah 40:26
