

May 22

*The Earth shall be filled with the knowledge of the glory of the LORD.
(Habakkuk 2:14)*

As we study the Scriptures, we see this theme repeated. Our Heavenly Father desires that everyone understand that he is the great Creator of all things in Heaven and Earth. To see the wonders of nature makes us, as Christians, marvel at the one who designed them - being rightfully in awe of Jehovah! We are glad that in the Millennium, all people will know and praise God! Jeremiah 31:34

Color the picture

Draw and label wonders of the Earth that God made for us to see and be thankful for.
