*Why did I not from the womb?...For now should I have lain still and been quiet, I should have slept; then had I been at rest.* (John 3:11)

Job's loyalty to God had been greatly tested. He had lost his family and his livestock, and was very sick with boils over all his body. In these verses Job shows that death is not a state of life on a different plane, but it is as sleep, or rest, until resurrection.

Ecclesiastes 9:10

Job loses everything - his animals, children, crops - everything except his wife! Job still blessed the Lord, saying "The Lord gave, and the Lord has taken away. Blessed be the name of the Lord." - **Job 1**
